## **Journal Back Issues Order Form**

We offer two methods to order back issues of the Society's Journals. We will email a PDF file to you or we will print and mail a hard copy to you. View the [Journal Index online](#).

**PDF file copies:** Contact [marketing@berksgenes.org](mailto:marketing@berksgenes.org) and let us know by Volume number and Issue number the Journal you want. Use our Home web page: [berksgenes.org](http://berksgenes.org) Select the "**DONATE**" virtual button and donate \$2 for each issue file you want and of course there is no postage. The Donate virtual button takes you to PayPal and lets you either pay with your PayPal account if you have one, or pay with your credit card. Safe and secure.

**Hard copies:** Use form below if you are mailing your order to Society. Or again contact [marketing@berksgenes.org](mailto:marketing@berksgenes.org) and let us know by Volume number and Issue number the Journal you want. We will send you a PayPal Invoice. Upon payment we copy the file and mail to you in large envelope. Everything has gone up so this is the by far the most expensive option. Printed copy of one Journal is \$5.00, postage included. Additional Journals are \$3.00. Some Journal issues are \$8.00 due to the large size. (exp. Fisher Family Vol. 14 #4). Use form below if mailing in order. Send form and check payable to BCGS to:
